

Taylor Review Pilot Lessons Learned

**Lucy More
Project Manager**

Unexpected level of direct enquiries from places of worship

Impact of regional approaches to promotion
Careful management of expectations in 2019/20
Focus on priority places of worship

**Grant applicants require a high level of assistance
from the Fabric Support Officers**

**Refinement of application documents
Careful allocation of FSO time**

Reaching out to vulnerable places and those managed by other faiths and denominations

**Focus for 2019/20
Analysis of Church of England data**

Focus on grant funding

FSOs to begin with maintenance plans in 2019/20
Separate site visits are being conducted
Rachel Lake to trial linking work to maintenance plans

Engagement with the Taylor Review Pilot Workshops

**Adjustment to the marketing approach
Partners issuing hard copy invitations**

Perceived needs vs. urgent needs

**Face to face site visits where possible
CDAs and FSOs to continue to offer tailored advice**
